ABC are working hard on smoothing out the track at Mannum

Discussed Ramblers running 8 continuous laps again. Claim there are rules against this. No there are not.

Club discussed that maybe have a 10 min window for fuel? Maybe have a break after 200kms?

Off Road Panel may make a ruling to prevent us to run continuous.

Also discussed were : Rear protection for chassis rails, fuel testing, do we carry GPS – no, GR37 – exhausts & mufflers – changes to be made?

2 Working Bees –

6/7th March - Finished off building shed. Cans and bottles were sorted Annie brought them back to Adelaide and got \$ [REDACTED].

Tyres were repainted white and more of the Pit and Camping area marked out.

Easter Working Bee – Thanks to all who came down to help. All of the track was marked out, barrels were put on corners and had water put in them. The Pits, Start/Finish Camping areas were marked out so we need to put up bunting on race weekend. Track is exactly 29 kms long.

The caravan was cleaned out and hopefully the bees have been eradicated.

The smaller shed was almost completed so we will be able to store the caravan, tractor, and track marking trailer undercover.

We had a movie night on Saturday night and watched Cannonball Run! Easter Bunny even came to visit although a few of the resident mice found some of the chocolate eggs were quite tasty.

Name the big jump after Pat?

Organised with High School Tech Class to make trophies but need small engine parts as decoration.

Have contacted Deirdre from Border Times and she will do a story

Please if you are not racing, please make yourself available for officiating on the weekend.

Discussed whether to include stutters that Pat has constructed at Parilla. Do we have them or not. Do we make drivers go over them or give an option to go around? Voted to not include the stutters.

Need to contact Dale re using mud next to dam and cross a ploughed paddock.

Paul Dagley wants to make form up signs and ask Craig to make number stickers. Club voted yes.

Jeff Schulz picked up 2 gazeboes and 4 walls from Christies Camping. Cost was \$

Is club happy to have them available for loan by club members? No. Annie can take them to other off road events for club members to use if needed.

Annie took Club Display Board to Clipsal CAMS Display as there was no info available for Off Road section.
